

Immigration and Nationality Law

Kerr Russell's immigration practice serves a diverse group of clients, including publicly-traded companies, privately-held businesses, smaller start-up ventures, and families and individuals. Our practice encompasses all aspects of the international movement of temporary visitors, employees, and family members.

Our attorneys assist employers and individuals in achieving their unique objectives, guiding our clients through restrictive regulations and onerous filing requirements, while ensuring compliance with U.S. immigration law. In a world in which capital flows freely, businesses operate across borders, and employees and contractors must be agile and mobile, our immigration team offers comprehensive knowledge of immigration laws, policies, and procedures, and practical experience in helping clients overcome their toughest immigration challenges.

Our experience includes:

- Non-immigrant visas for temporary visits or employment in the United States
- Employment-based permanent residency
- Family-based permanent residency
- EB-5 (Immigrant Investor Program) guidance
- I-9 compliance training and audits
- Assistance with government audits and investigations
- Outbound immigration
- Candidate eligibility review for immigration benefits
- Naturalization

Our immigration lawyers are supported by a team of attorneys experienced in business law, employment law, litigation, and taxation, which allows us to provide clients a comprehensive approach to planning and problem-solving.
